# nexus LITE

The Nexus Lite system provides advanced access control features in an affordable package. The large, two and a half inch color TFT touch screen brings complete system configuration and control to your fingertips and built in wizards simplify initial setup and enrollment. With onboard reporting and system diagnostics, Nexus Lite is visually clean and easy to use, making access control setup and management for up to eight doors virtually effortless.

## Key Features

- ▶ Screen lock for configuration security
- ▶ Basic audit trail
- ▶ Simple and advanced system configuration
- ▶ Onboard reporting
- ▶ Onboard system diagnostics
- ▶ Onboard web-client for remote network configuration and enrollment
- ▶ Easy to mount backing plate
